Parish - Oswestry Rural

Community priorities:

1. Speeding
2. Anti-Social behaviour
3. Drugs

Priority 1.

I'm glad to say that there have been no reports regarding speeding over the June period.

We have had a report of a road traffic collision. This was been on the fast A roads. A car had broken down and the offending car ran into the rear of the stationary vehicle. Whether speed, tiredness or lack of concentration was a factor, I don't know. Luckily no major injuries occurred.

We also had a broken down post office van in Porthywaen. Luckily /Unluckily I was passing and helped push the van out of the traffic into a small side cut.

There was also a report of a vehicle fire where a JCB had caught fire.

Priority 2.

Unfortunately there have been 4 ASB reports.

There have been 3 reports of ASB incident coming from the Llynclys area where a group of teenagers have been causing issues at the X roads for locals and the pub.

A report from a concerned resident of youths in the wildlife area at the back of the Dol Goch was received. An area search was made but no one found.

A report of the use of a laser pen being shined into an upstairs property has been reported in Morda. The informant was sure that it was coming from the flat below !!

Even after we explained that this is highly unlikely without the use of a series of mirrors or prisms, he still wasn't sure !!!!!

Priority 3.

We have had 3 calls from the Royal Mail of packages smelling strongly of cannabis. These packages have been seized and an ongoing investigation are in progress.
